1. The first step in the process of the development of a new product is the identification of a market need. This is often done through market research, which can be conducted in a number of ways, including surveys, focus groups, and interviews. The goal is to understand what customers want and need, and to identify any gaps in the current market.

H. W. WENTWORTH, being first duly sworn, upon oath, deposes and says:

That he is a resident of the County of Idaho, State of Idaho, and a citizen of the United States of America; that he is and for more than twenty-five years last past has been a licensed and practicing physician engaged in practice in Idaho County, Idaho;

That he is well acquainted with Ned F. Gibler, whose true name is Ned Finley Gibler, and who is the son of Ed Clinton Gibler and Mable Wren Gibler, his wife; that affiant attended Mable Wren Gibler at the birth of said Ned F. Gibler in Idaho County, Idaho, June 5, 1920, and that affiant registered the birth of said child with the Bureau of Vital Statistics of the State of Idaho under the name of Joseph Gibler; that the registration was made under such name for the reason that affiant was informed and believed, although said child had not actually been named, that he was to be named Joseph Gibler; that said registration was, in fact, the registration of the birth of Ned Finley Gibler, and that the two names, Joseph Gibler and Ned Finley Gibler, designate but one person, whose true name is Ned Finley Gibler and who is generally known as Ned F. Gibler.

Dear Madam:

The name of your baby was not filled in on the birth certificate sent to this office. It is of vital importance to have the full name included in the record. Kindly fill in the information requested in the blank below and return this sheet, at your earliest convenience, in the enclosed self-addressed envelope.

SEVERAL REASONS WHY A CERTIFICATE OF BIRTH SHOULD  
BE FILED FOR EACH CHILD AND THE SAME COMPLETED WITH THE NAME OF CHILD.

- - - - -

Birth registration is part of every child's birthright.

It establishes legally the date of the child's birth, parentage and legitimacy.

It enables the Public Health Nurse to make sure the child has been protected from danger of blindness and other infections at birth.

- - - - IT SHOWS AT LATER PERIODS OF LIFE: - - - -

1. The correct age for purposes of school attendance.
2. Employment.
3. Protection under the law.
4. Military and jury duty.
5. Right to travel unmolested in foreign lands.
6. Right to vote.
7. Right to receive pensions and inherit property.
8. Furnishes acceptable evidence of genealogy.
9. Right to get married.
10. Just at this time while many of the Ex-Service men are compelled to furnish certified copies of certificates of birth, it is important that the certificates be filed with the BUREAU OF VITAL STATISTICS and the same completed by furnishing the name of the child.

PLEASE ASSIST BY FURNISHING THE NAME OF YOUR CHILD.

I, John H. Albers, being first duly sworn depose and say that I am the father of Robert Herman Albers whose certified copy of certificate of birth No. 27429, State File No. 80955, has been referred to me. That said certificate of birth is erroneous in that the place of birth was given as County of Lewis, city of Orofino when it should have been County of Lewis, city of Russell and that the Usual Residence of the mother was given as County of Lewis, city of Orofino when it should have been the City of Russell. I further depose and say that my place of birth was the City of Keystone, State of Iowa.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track every aspect of their operations, from procurement to sales.

2. The second section addresses the challenges associated with data management in a rapidly changing environment. It highlights the need for flexible and scalable solutions that can adapt to new technologies and evolving business requirements. The author argues that investing in modern data infrastructure is crucial for staying competitive and making informed decisions based on real-time information.

3. The third part of the document explores the role of leadership in driving organizational success. It stresses that effective leaders must possess strong communication skills, strategic vision, and the ability to inspire and motivate their teams. The text provides several examples of successful leaders who have transformed their organizations through innovative thinking and decisive action.

4. The fourth section focuses on the importance of continuous learning and development for individuals and the organization as a whole. It encourages a culture where employees are encouraged to seek out new knowledge, skills, and experiences. The author notes that ongoing education and training are vital for keeping the workforce up-to-date with the latest industry trends and technologies.

5. The final part of the document discusses the significance of ethical considerations in business operations. It argues that companies have a responsibility to act with integrity and fairness, not only towards their stakeholders but also towards society at large. The text outlines key principles of business ethics and provides guidance on how to navigate complex moral dilemmas that may arise in the course of doing business.

This is to certify that I attended at the birth of Maxine June Richardson

on the 15th day of June 1920 and a mistake was made at that time in regards to the color of Charles Richardson her Father which should be white instead of yellow. so if you can make the change on the original certificate do so if not send a deferred certificate and I will fill it out and the original can be destroyed.

## LOCAL REGISTRATION OF BIRTHS

Sec. 38-213. All births that occur in the state shall be immediately registered in the districts in which they occur hereinafter provided.

Sec. 38-214. SAME: DUTIES OF THE PHYSICIANS AND MIDWIVES. It shall be the duty of the attending physician or midwife to file a certificate of birth, properly and completely filled out, giving all the particulars required by this article with the local registrar of the district in which the birth occurred, within 10 days after the date of birth; and if there is no attending physician or midwife, then it shall be the duty of the father or mother of the child, nurse, householder, or owner of the premises, having knowledge of such birth, manager or superintendent of public or private institutions in which birth occurred, to notify the local registrar, within 10 days after the birth, of the fact of such birth having occurred. It shall then, in such case, be the duty of the local registrar to secure the necessary information and signature to make proper certificate of birth. Provided, That in cities, the certificate of birth shall be filed at less intervals than 10 days after birth, if so required by any local ordinances or regulations now in force, or that may hereafter be enacted.

Sec. 38-215. CERTIFICATES OF BIRTH. The certificate of birth shall be filled out as per blanks for that purpose.

Sec. 38-223. \* \* \* \* \*, any physician or midwife, in attendance upon a case of confinement, or any other person charged with responsibility for reporting births, in the order named in Sec. 38-214 who shall neglect or refuse to file a proper certificate of birth with the local registrar, within the time required by this article, shall be deemed guilty of a misdemeanor, upon conviction thereof, shall be fined not less than \$10 nor more than \$300.
